Dear Mr Vuksanovikj

Product verified - Orgalife

Thank you for sending in the new product specification sheet. I am writing to inform you that **Orgalife** has been verified and is permitted for use with justification at inspection within Soil Association organic standards for producers as a soil input under standard 4.7.8.

Please note that this letter does not represent any form of Soil Association approval or endorsement, its only function is to detail the status of a product within organic standards and the nature of its uses. This letter cannot therefore be used as evidence of organic certification. The product cannot be sold or marketed with any reference to Soil Association approval or the Soil Association symbol.

This verification is subject to periodic reviews so please inform us of any changes to the product specification or suppliers. Please note that if this is not provided, or the changes are not approved, the formal verification of this product will be withdrawn.

If you have any further questions, please contact me on 0117 314 5136 or thartley@soilassociation.org, quoting your reference number above.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Tom Hartley", written over a horizontal line.
